

School Uniform

Kersbrook Primary School Students take pride in their appearance wearing the school uniform and/or school colours. Students look neat and smart, and their uniform enables movement and play in comfort and modesty.

The school uniform creates a unified school community, reduces competition amongst students and improves school spirit. Uniforms also enable easy identification of our students both at school and on excursions and camp.

Make-up, nail polish, hair dyes, false nails, body art and jewellery are not part of our uniform and are not considered appropriate for primary school students. Simple sleepers or studs are acceptable as are items of religious significance such as a cross or Star of David.

All clothing should be clearly named. Unnamed clothing that is not claimed will regularly be sent to the Op Shop.
