Dear Students, Parents and Community Members,

**Happy Mother's Day** – Wishing all of the Mothers and Grandmothers a very happy Mother's Day for Sunday 10<sup>th</sup> May. I hope your children look after you and you enjoy your special day. Our Mother's Day stall was run by school staff this year and raised a total of \$235.00. All funds will go towards our Year 7 Canberra trip.

**Thank you** - I would like to start this newsletter with a heartfelt thanks to all staff, parents and students for their cooperation and support as we have continued to navigate unusual times due to COVID-19. Cooperation and support from everyone has been greatly appreciated.

**We are open and almost back to normal** - Term 2 started with 77% attendance and has steadily increased. We are expecting almost all of our students to be back at school on Monday. Students have enjoyed catching up with friends and getting back into routine.

**Cancellations** - A number of events have been cancelled including our school photos, The Royal Adelaide Show in September, our whole school camp scheduled for Term 3, a visit from the Crows and Pupil Free Day scheduled for 8<sup>th</sup> May. At this stage we are not sure if our proposed Year 7 trip to Canberra in Term 4 will go ahead or not. This is a very expensive trip and costs about \$950.00 per student. The school usually undertakes fundraising activities to help support families with the cost. One of our usual fundraisers is Hot Dog days. Due to stricter hygiene concerns we are instead offering hot packaged meals.

**Order hot food for lunch** - We know how much students (and their parents) enjoy the opportunity to order hot food for lunch so we have been able to source some pre packed hot food that we can heat up on the day and deliver to classes. All students were given an order form today. The choices are \*Beef Lasagne \* Honey Soy chicken with rice and vegetables \* Macaroni Cheese . Hot food day will be Mondays starting on 18<sup>th</sup> May and our last scheduled day will be Monday 3<sup>rd</sup> August. Dates are on our website calendar: [www.kersbrookps.sa.edu.au](http://www.kersbrookps.sa.edu.au)

**Support local businesses** – Please have a look at the back pages of our newsletter. We have devoted it to supporting local businesses. We will continue to do this for the next few newsletters.

# ANZAC Day 2020

We discussed the Ode and listened to the Last Post. We watched a YouTube clip about the history of Anzac Day.

We made Anzac poppies in Room 2. Our challenge was to make 3 different poppies using materials in our classroom. We then strung them up in the office for all to appreciate.

Room1 read Anzac Ted and ate Anzac biscuits.

Room 3 began Anzac celebrations by following a procedure video to make poppies. Miss Johnson made a purple poppy and discussed that the purpose for the purple poppy is a symbol of remembrance for animals that served during wartime.

Students also had the opportunity in pairs to research a recipe for Anzac cookies.

With Karen's assistance, Blaze, Eliza, Elli and Nate helped to make Anzac cookies for the class.

*Nate: I enjoyed making Anzac cookies.*

*Eliza: We used our Fractions to double the recipe.*

*Elli: I enjoyed using our Math and baking skills to make Anzac biscuits.*

*Blaze: OMG, so yum! We ate the raw dough that was leftover and were able to have two cookies each.*

## Community Pantry

Next week we will be collecting food and household items for the Community Pantry at Birdwood United Church in Shannon Street. The Community Pantry helps anyone in need of food or necessities. During this time, many more people than usual are facing financial difficulties including people affected by the bushfires, business owners and people who have never before needed support. Please give generously. Any non-perishable food, long life milk, or even refrigerated dairy products, fresh fruit, cans, preserves, toiletries, toilet paper or items you might buy from the supermarket are welcome. You can send your donation with students and we will place tubs on the table between the Front Office and the Old School Building (OSB). If you, or someone you know needs to access the Community Pantry, please ring the very approachable and lovely Rhonda on 0467 403 699.

## Book Club

Book Club is only online this term as no paper catalogues will be sent out. We would still love you to order. Please click the link: <https://www.scholastic.com.au/book-club/book-club-parents/> You can browse the catalogue and order via the LOOP button. If you have any difficulties please see Lynn or Andrea.

# James Orchards

James'0 Orchards are at 1549 South Para Road, Kersbrook and we are a 5th Generation family owned Apple and Pear Orchard. You can find us on facebook, JAMES Orchards Apples & Pears which we regularly update. <https://www.facebook.com/pages/category/Specialty-Grocery-Store/JAMES-Orchards-Apples-Pears-466226930117510/>

You can buy our freshly picked apples and pears from our roadside shed. Straight from the orchard, you can't get any fresher. We are also supplying a range of other produce that we try to get from South Australian growers. EFTPOS available but our honesty box is still there if you prefer to pay cash. The kids love putting the money in the box.

We have just started extending our business by beginning to offer Click and Collect for our own grown apples and pears plus the amazing fresh South Australian grown fruit and vegetables. To get the full range you must place an order to our Facebook page or contact Paul James on 0415 905 867.

- Order by 7pm Sunday night
- Pick up Tuesday between 3pm and 5pm.
- order by Wednesday 7pm
- Pick up Friday 3 to 5pm

We have just changed the ordering time as we have been overwhelmed by the amazing support we have received. This

will give our supplier more time to get the stock we need to fill our orders and also give us more time to put the orders together.

Mother's Day is a special time so we have just started to sell a range of flowers which are available now and we will be selling them until Sunday. You can even order them with your click and collect order. Pricing starts from \$8, \$15, \$20 and \$25.

We thank everyone for their support and remember to support local small businesses. We really need it and appreciate it. From the team at JAMES Orchards, we thank you.

*At Kersbrook Primary School we value Respect, Responsibility, Confidence and Resilience*

# Message to parents and carers from Professor Nicola Spurrier, Chief Public Health Officer

**It is safe to send your child or children back to school,  
kindy and day care.**

### Don't send them if:

They are sick.

They have a health problem and you want to talk to your doctor first.

### I am confident it is safe for them to return because:

We have a low rate of community spread in SA.

Borders are still closed.

Lots of the community has been tested.

Good social distancing and hygiene.

### To keep schools safe we are:

Increasing cleaning.

Making sure there is soap, sanitiser and tissues available.

Not having large gatherings.

Teaching kids to not spread germs.
