Dear Students, Parents and Caregivers,

I hope everyone has had a wonderful break. I would like to extend a warm welcome to everyone as we start our 2019 school year. It is shaping up to be a very exciting year for Kersbrook Primary School. Our long awaited crossing and car park upgrade is expected to get underway this year. Our Occupancy Warning System (sound system instead of siren) is likely to be installed in Term 1. We are also looking forward to high-speed uncontended fibre optic service that will be a dedicated connection to our school. This will enable us to have high speed, unlimited internet usage and reliable Wi-Fi use for students and staff.

We start the year with one new teacher joining our team - welcome to Sherie Fechner. Sherie's photo and self-introduction were in our last newsletter for 2018. The rest of our staff will remain the same as last year with Lianne Zalac, Nina Judd and Lauren Johnson completing our teaching staff team. Lynn and Andrea can be found most days in the office. Student support in class will be provided by Karen, Mel, Lyndall and Denise. Dean continues as our Groundsman.

Can you spare two evenings a term for up to two hours? Kersbrook Primary School Governing Council members are the eyes and ears of our community. They support the Principal and decision making at our school. Our fundraising committee is a subcommittee of Governing Council and are responsible for some great fundraising events during the year. We will be holding our AGM on Tuesday 12th February starting at 7.00pm. If you are interested in being a Governing Council member or on a sub-committee, please feel welcome to come along and join us. In order to be truly reflective of our community I would like to encourage interested males and females from our community to ensure broad representation.

I would like to welcome our new students and their families. In Reception we welcome Matilda, Malia, Kyra, Shaylee, Emilia, Emmerson, Lani, Raffael, Ollie, Kyle, Korbin, Jesse and Miles. In Year 1 we welcome Levi and his sister Ava in Year 3. Amelia and Annabel will join our Year 5 class. This is a very exciting time for our new students and their families. We would like to wish them all the best for the exciting adventure that awaits them.

Jill Gurner
Principal

School Times

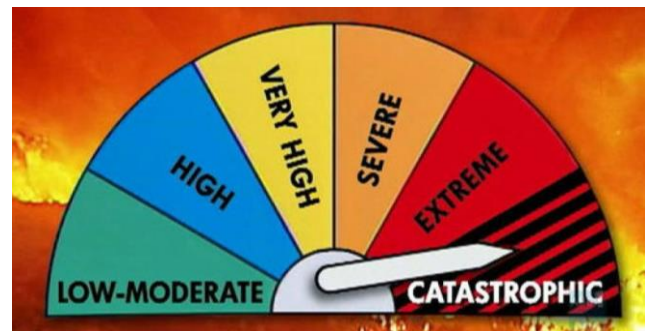

Arrival time for school in the morning is between 8.25am and 8.45am. School starts at 8.45am. Parents/Caregivers are reminded that the morning yard duty does not begin until 8.25am. School finishes at 3.00pm each day and Teachers will be on duty until 3.20 if required.

Eating Times

Recess time is 10.30pm until 10.50pm and supervised lunch eating time is 12.30 to 12.40pm followed by playtime until 1.20pm.

Catastrophic Fire Risk Notification

If a day is declared *Catastrophic* due to bushfire or storm risk, the school will be closed and no staff or students will be on site.

The school will inform you of closures as soon as possible so that you can make arrangements for the care of your children. We strongly urge parents to consider how your children will be cared for on these days before the event. Normally the Bureau of Meteorology declares the risk at about 4pm the day before and it is widely broadcast in media and on websites.

Student Health and Medications

Your child's health is important so please let us know if your child has a health issue or allergy.

Student medication must be lodged at the front office with a Medication Agreement from your GP or Healthcare Provider. Staff are unable to administer medication without following Department for Education procedures. Please do not send students to school with medications in their bag, even Panadol. If your child has Asthma, please provide an Asthma Management Plan. Students may carry and administer their own Asthma Medication if that is part of their plan but their teacher and staff need to be aware of this.

Forms for your Doctor are available at:

<https://www.kersbrookps.sa.edu.au/parent-information/health-care/>

If you have any concerns, please speak with your child's teacher, Lynn, Andrea or Jill.

Attendance and Family Holidays

We understand that there are times when Parents and Caregivers need to take their leave out of the school holiday period resulting in students being absent during the school term. Although this is not desirable or the best option for student learning we try to accommodate these requests.

Parents are required to submit a request for an Exemption on the official form, in writing if they know that their children will be away from school for more than 3 days. These forms are available from the Front Office.

If parents expect to be away for periods longer than 1 month then the application needs to be approved well in advance of the leave dates. These forms are part of the way that all Department for Education schools are required to monitor attendance.

Absences

If your child is ill or absent for any reason you are required to contact the school in person, by phone or with a short written note explaining the absence. It is possible to do this via School Stream or you may e-mail dl.0204.admin@schools.sa.edu.au Departmental guidelines require us to keep records about student attendance and absences. We appreciate your cooperation in this work.

School success starts
with attendance

Late Arrivals and Early Departures

It is a legal requirement that all students are accounted for on site and we ask that you come to the front office to sign your child in if late or sign them out if you need to collect your child during the day. We then know who is collecting children and have accurate records about children's attendance and absences. Importantly for any unlikely emergency that arises we need to have accurate documentation of who is on site at all times. Parents are encouraged to schedule appointments outside of school hours when possible.
